

## IN MEMORY OF AL MORROW

We lost another founding member of STAR on March 30, 2025. Al was a member of STAR from day one up to his final day for 25 years. Al was known from his #01 Coupe and then # 0 Mustang. Al always followed STAR and was often seen at his home track Seekonk Speedway. Al will be missed by many now that he has joined the STAR racing team above.

**GOD SPEED AL**
